

PolyCraft®

PolyCraft® is a brand new product to the Print industry! It is a Foamed Polypropylene sheet that is made of a high percentage of Recycled materials and is fully Recyclable. Being environmentally friendly AND priced competitively are only two of the reasons why PolyCraft® is the perfect media for printed signage and point-of-sale advertising.

PolyCraft® sheets are designed to meet the specific needs of high impact marketing materials such as printed exhibition boards, Interior & Exterior signage and POP displays.

These special Foamed Polypropylene sheets are produced in 2.0mm to 3.5mm thick and are stocked in sizes of 1220 x 2440mm/48 x 96" & 1220 x 3048mm / & 48 x 120"

Colors: Dead white 050 , Black 0900 and more colors coming soon.
